RE: William Mayo  
861 Lexington Avenue  
Cincinnati, OH 45229

*William was a volunteer with the Atlanta University Center Volunteer Task Force during his matriculation at Morehouse College in Atlanta, Georgia. As coordinator of the AUCVTF, I knew William to be responsible and cordial to the youth we served in the surrounding community housing projects.*

*The news came as a surprise to the Columbia, SC Morehouse Alumni chapter, for those who knew William. We all offer our support and encouragement in William's efforts to relieve himself of the tribulation that he is experiencing. Members of the chapter knew William to be reliable and an independent thinker.*

*I pray that William will overcome this obstacle in his life; he was only at the threshold. My mind tells me that William would not have committed such crimes when he had so many things going for him. I trust that you are able to see that William is dedicated to working with our future and he knows that as a role model, every action made is watched by these children.*

*Contact me at the enclosed address or call: (803) 777-6256 if you need to contact me.*

Sincerely,

Mike F. Weaver
