STATE OF GEORGIA
COUNTY OF COBB

AFFIDAVIT

Appeared before the undersigned attesting officer Irvan A. Pearlberg, who being duly sworn, testifies and deposes as follows:

(1)

My name is Irvan A. Pearlberg. I am over eighteen years of age. I suffer from no physical or mental disabilities, and am competent to give this affidavit. The information contained herein is based upon my personal knowledge.

(2)

On December 19, 1995, I appeared pursuant to subpoena at the Georgia State Prison in Reidsville Georgia to give testimony in action #95-HC-85, the same being the Habeas Corpus petition of William Mayo vs. David Thompson.

(3)

A question was asked of me by Mr. Mayo's attorney, John A. Pickens regarding my knowledge of criminal charges against either Patrick Burnett or Brandon Hill at the time that I had interviewed them in regard to being witnesses in the case of State of Georgia vs. William Mayo.

Exhibit "c"

(4)

My response was that I had no knowledge of criminal charges against either Patrick Burnett or Brandon Hill at that time.

(5)

After leaving the Georgia State Prison facility at Reidsville, I tried to visualize the meeting with Patrick Burnett and Brandon Hill and vaguely recalled only then, that one of these individuals may have commented to me, something to the effect of - I can help you, maybe you can help me, (or words to a similar affect/expression) and may have even told me of a charge against him which I cannot and do not recall or remember the individual stating then or now.

(6)

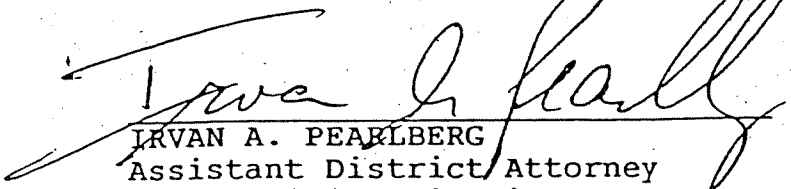

I recall vaguely commenting that I was not going to get involved or assist him in whatever the individual stated he needed help with.

(7)

Upon having this vague recollection regarding the above, I left messages with the office of John Pickens, Attorney and Marla Brooks, Assistant Attorney General, the next day being December 20, 1995 and advised them of same in telephone conversation on December 21, 1995.

Further affiant saith not.

This the 28th day of December, 1995.
